A first impression

A Retreat with a View of Lake Como

Nestled in the picturesque setting of Carate Urio, this unique property is located in one of the most charming locations on the western shore of Lake Como. The small village, with its origins dating back to Roman times, still retains the charm of yesteryear.

The recently renovated house is on one level, a workable attic room that offers surprisingly functional spaces with two beds. The rooms are designed for those seeking the perfect balance of comfort and practicality: a bedroom, a bright living room, a bathroom and a small kitchen.

What really makes this property special is its stunning lake and mountain views visible from the main rooms. The strategic location allows you to enjoy the tranquility of a lakeside village without sacrificing essential services. A convenience store/macelleria is within walking distance. The bus stop to Como is conveniently accessible, connecting the property with the capital and its services in a few minutes' ride.

Access to the house is to the interior of the hamlet with its period stone stairways with its characteristic Lake Como corners and arcades.

The property currently has a license for short rentals (B&B), representing an investment opportunity. The house's prime location make it attractive for summer lake tourism, guaranteeing good return prospects.
